<sup>1</sup> Hac appellatione genii Latini Anna Elissa Radke, magistra Marpurgensis, incipit docere linguam Latinam. Etsi quaestio non persoluta est, utrum scilicet genius linguae Latinae adhuc existat et uiuat an mortuus sit, genium quidem linguae Latinae appellare consuevit, ut is appellatione et inuocatione ipsa reuiuisceret. Cf. A. E. Radke, *Ars Paedagogica*, Würzburg, 1998, p. 186; “De arte noua linguam Latinam docendi”, in J. Blānsdorf (ed.), *Loquela vivida: donum natalicium Nicolao Sallmann sexagesimum quintum annum agenti; a fautoribus linguae Latinae vivae oblatum*, Würzburg, 1999, pp. 274-287 (praesertim p. 274).
